—The election is passing off quietly here today. The city ticket is without opposition. The magisterial race is the only one creating any interest. It is generally believed however, that Thomason will win by a fair majority.

—The Halloween festivities were observed here Saturday night. All the little girls out in masks playing many innocent pranks, while the little boys wore hideous false faces some of them dressed as clowns, many of them blowing tin horns or making discordant sounds with other things, while the older ones did some things more difficult. A picket fence was pulled around so as to obstruct the sidewalk on South Main street, near the residence of Mrs. Amanda Mastin; a large steer was brought from the farm of

Mr. W. L. Saunders, striped all over with blue paint and turned in the park. He was quite a curiosity Sunday morning. As the grass was good in the park the animal was contented and seemed to be oblivious to all about him. A notice was written on the Farmers Bank blackboard saying Mr. Saunders was very sick and wanted all his friends to call. No damage thus far has been reported and everybody is in good humor over the various little episodes.

—An informal Halloween reception was held at the M. M. I. Saturday night, given by the senior class. Verbal invitations were extended and quite a number were present. Most of the cadets and many of the young ladies appearing in masks. Most of the subjects were well taken and kept every body guessing as to who each other was. A special dance by Monch was one of the pleasant features of the evening. After an hour of hilarity they unmasked and a lunch consisting of sandwiches, pickles and chocolate was served, after which dancing was indulged in during the remainder of the evening. The entertainment was held in the spacious drill hall, which was decorated in keeping with the occasion.

—Lexington High School was beaten Friday afternoon by M. M. I. eleven. Gibbons' warriors lost out in hot game on the Millersburg gridiron. The cadets bucked up against the Lexington High School in the fastest scrap-piest and cleanest game seen on the field in several years. M. M. I. scored once in the first half on a buck by Gay clear through tackle and a run of sixty yards. Hinman scored the second touchdown for the cadets in the last half, breaking up a forward pass and running sixty yards through a broken field. Leer kicked both goals. Score 12 to 0. The game was remarkable for the great number of forward passes used. The features were the runs of Gay and Hinman. Fant's excellent tackling and double pass for forty yards by Lexington High School. The line-up follows: M. M. I.—Gibbons, Rankin, r. g.; Hager, l. g.; Wingo, l. t.; Hinman, l. e.; Fant, q.; Gay, r. h.; Watson, l. h.; Leer, f. L. H.
